Reports

Dear Mr. Horsey:

On March 9, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Please note that our initial letter should have referenced the July, not April, Quarterly Report. Your March 23, 1999 response is incomplete because you have not provided all the requested information. For these responses to be considered adequate, the following information is still required.

-You state that you requested a refund of \$117,000 from the "Philadelphia Democratic City Committee" and that a copy of the letter to this committee is attached. A copy of the refund request is not attached to your response.

Further review of records at the Commission indicate that there is only one committee registered with the same address as the above referenced committee - it is the Democratic County Executive Committee of Philadelphia (C00324459). Its 1998 reports do not disclose the receipt of \$122,000 from your committee. Please clarify who the recipient of your contributions is and if, at the time you made these contributions, they were designated for the recipient's Federal Account or Non-Federal Account.

If your contributions were deposited into the recipient's Federal Account, please also provide a copy of your refund request. Until the excessive amount of \$117,000 is refunded to your committee, it must be disclosed on Schedule D supporting Line 9 as an outstanding debt owed to your committee.
